Revealing God's Glory Through the Design of Creation

The Blossom Ridge Mission: To provide an inspirational introduction to the origin of creativity and Biblical Creation. To help discover the epic passion that our Creator has for each one of us.

To build faith that encourages the use of our God-given passions and gifts. To remind others to consider His works of creation as part of our worship. And to reveal the glory of our Creator!

When we journey back to the beginning something extraordinary – almost unexplainable – begins to happen, and that changes everything.

Psalm 77:1 invites us to consider all God's works and great deeds. And there is a wonderful reason for it! *Before the Beginning... God Designed* is an inspirational introduction to Biblical Creation. The book gives the reader a starting point in considering the amazing world around us in a new and thoughtful way.

Abiding in our Creator—searching for Him, helps us to draw near and experience the freedom that He has for us. Romans 1:18-19 teaches that it's not a good idea to hide truth. Science, politics, industry and even religion can veil creation origins. Recognizing the "Who" behind creation helps us to keep the big picture perspective in today's uncertain times.

With the help of the Holy Spirit, we begin to understand who our Designer God is. As our understanding grows, it restores in us our capacity for childlike wonder!

"I highly recommend, *Before the Beginning* for exciting, truthful reading."
Bob Devine, MBI Nature Corner
